

## Hartsfield Appeals to Governor Kilby to Solve Financial Difficulties

Huey Represents Board of Revenue at Conference With State Officials—Investigation to Be Made

By FRED H. GORMLEY  
Montgomery Bureau, The Age-Herald  
February 3.—(Special.)—The financial problems of Jefferson county and the board of revenue of Jefferson county were brought to Governor Kilby and the state's legal department with an appeal for solution Friday afternoon.

Sheriff Hartsfield and T. T. Huey, member of the board of revenue, and their representatives and Judge Dan A. Greene, presiding judge of the

Tenth circuit, held a long conference with Governor Kilby and Judge James J. Mayfield, special assistant attorney general, during which they outlined various developments recently regarding the county's finances.

Sheriff Hartsfield has been told by the board of revenue to stay within his income during the remainder of his term.

He fears that this will seriously hamper his department in the enforcement of the law. According to estimates he will have spent \$30,000 more than he collected in fees and commissions during the four years he has been in office.

The board of revenue has constructed the constitutional amendment under which Jefferson county officials are now paid salaries to provide that no revenue shall be used in the maintaining of such departments in amount greater than the revenue obtained by the department from the sources furnishing fees to the officials under the old law.

In addition to the county officials in the conference the board of revenue was represented by E. H. Cabness, its attorney, while Sheriff Hartsfield also was represented by his attorney, James Burgin.

## Mrs. Brenton K. Fisk to Be Ninth District State Democratic Committeeman

Prominent Suffrage and Welfare Worker Is Unanimous Choice of Committee—Will Be One of the Recent Authorized Members

MRS. BRENTON K. FISK

Mrs. Brenton K. Fisk will be a member of the state democratic executive committee from the ninth district, according to nomination which has been made by the members of the committee from this district.

Mrs. Fisk will not only be the first woman committeeman from Jefferson county and the ninth district but she is the first of the ten recently authorized committeemen to be appointed which were created at the recent meeting of the state democratic executive committee at Montgomery. At the time the ten additions were authorized it was suggested that the appointments be women.

Mrs. Fisk was the unanimous choice of the committee members of the ninth district. Her nomination, which means election, was made by Borden Burr, George Bondurant, W. D. Newbitt, and John R. T. Rivers. For instance, the other member of the committee is in Washington but the four members who made the nomination felt sure that his recommendation would be the same as theirs and made announcement of the nomination yesterday.

Ira Champion of Montgomery, secretary of the committee.

## VIOLA DANA SWEARS IN 50 NEW MEMBERS OF AMERICAN LEGION

Viola Dana, movie queen, who is playing at the Loew's Bijou, swore in 50 new members of the American Legion on the stage of that theater last night, immediately after the performance. Thirty-six of the new members were ex-service men taking vocational training at the Wheeler Business college.

Miss Dana was introduced by George Lewis Bailey, commander of Birmingham Post No. 1, and George Kitzinger, chairman of the committee on arrangements. Following the ceremony she shook hands with each new legionnaire and smilingly commended him upon his affiliation with the organization.

Miss Dana has expressed herself at being thoroughly in accord with the activities of the American Legion and is doing her "bit" towards aiding the unemployed ex-service men by, at her own suggestion, employing an ex-soldier as her orderly during her entire stay in Birmingham.
